Vita Health's Preferred Customer Program

What is the Vita Health Preferred Customer Program?

As a preferred customer, every time you make a purchase at Vita Health using your Preferred Customer card your purchases will be recorded. Once you reach \$200.00 on regular priced purchases you will automatically receive a \$10.00 savings off your next purchase. No coupons, no hassles!

Is there a membership fee?

Membership in Vita Health's Preferred Customer program is free. Simply fill out the attached application, return it to your local Vita Health store and you'll receive your free Preferred Customer Card.

Are there other benefits to being a Vita Health Preferred Customer?

By using your Vita Health Preferred Customer card, you are entitled to special Preferred Customer savings each week. You will also be eligible for special promotions we will have throughout the year and receive savings, product and health information through the mail as part of our Preferred Customer Health Information Program.

Privacy Act

For your convenience, we will link your purchases to your home telephone number. Your number is personal information and is considered private. It will be protected in accordance with our Privacy Act. Information will not be sold or given to anyone. It will not be used for any other purpose than the Vita Health Preferred Customer File. For more information please contact our Privacy Officer.
